Monthly Schooling of The Hammerheads

Douglas County Dive Club: [DC]²

Join us every 2nd Thursday of the month as a member of the new Douglas County Dive Club [DC]². We need your continued support to get this fun sport & social club off the ground and into the abyss. Come for a travel talk, slide show or to just chat about diving. Divers, snorkelers and all those interested in the oceans and water sports are welcome. Future gatherings will include gear trials in the pool, specialty training seminars, bbq's and great fun. So, bring a buddy and swim on over! Call or e-mail for times and locations of the meetings. Our current schedule for meetings is: March 10, April 7th & May 12th & June 9th . Light Refreshments & prize drawings during the evening.
