Advanced Open Water Program

Dates: OCTOBER 15-22ND (Douglas County Fall Break)

Dive site profile: Belize's Atolls consistently ranks among the World's top dive locations and Turneffe Flats is ideally located to take advantage of Belize's very best Scuba diving. Our extraordinary dive program offers 18 dives each week including a day of diving at Lighthouse Reef and the Blue Hole, weather permitting. We easily access more than 60 dive sites around the Turneffe Atoll; and are within an hour's boat ride to the Blue Hole. At Turneffe Flats, we offer true valet dive service. After putting your dive gear on your porch the first morning, it is washed and set up on the dive boat the remainder of the week. All you need to do is walk to the dive boat after a delicious breakfast and head for one of our exceptional dive sites.
